# Linea 391

## THE VERY BEST WITH NO COMPROMISES!

Designed for anyone looking for the **best quality-price ratio**, the Linea 391 offers a selection of products that meet a wide range of needs at an attractive price! And there's more: every article is covered by a **5-year warranty!**

The Linea 391 plastic containers combine functionality, durability and environmental sustainability. They have the same features as traditional containers, but are made from regenerated plastic, so help to reduce plastic waste and CO<sub>2</sub> emissions, as well as save natural resources. Choosing 391 containers means championing the importance of recycling and is a crucial step towards a sustainable and responsible future.

## CUSTOMER CARE AND EXPERTISE AT YOUR SERVICE!
